

# Petition to preserve the "Dexter Area Fire Department".

Petition summary and background	The Dexter Area Fire Department has been serving the Village of Dexter, Dexter Township, Webster Township and Lima Township since 1890. There has been a committee that has recommended the combination of the Dexter Area Fire Department and the Scio Fire Department to improve and increase service. Included in that recommendation is a recommendation to change the name of both fire departments to a new name. The Dexter Area Fire Department provided fire and rescue protection to Scio Township from 1890 to 1987 under the name "Dexter Area Fire Department" until Scio Township formed their own fire department in 1987 and separated from the Dexter Fire Department. We do agree that recombining the departments would improve service, But do not feel that there is an advantage in getting rid of a department that has a 122 year history in the community and is one of the oldest fire departments in Michigan.
Action petitioned for	We, the undersigned, are concerned <b>citizens</b> and <b>current &amp; retired members of Dexter Area Fire Department</b> who urge our leaders to act now to Preserve the name and <b>122</b> year history of the Dexter Area Fire Department.
